maniglie

pomoli

Meccanismi per maniglie finestra Mechanisms for windows		DK MOVIMENTO ON A SCATTELLA CON BOCCHETTA ON A STOP MECHANISM WITH ROSETTE	
			
			
			

Tipologia Fori Chiave

- Indicazione fori chiave realizzabili
- Indicazione fori chiave realizzabili sostituendo la bocchetta e la rosetta con componenti di diametro superiore
- (X) Indicazione del foro chiave realizzabile e degli interassi disponibili

Maniglie per porta

Le maniglie per porta sono:

- fornite di molla per il ritorno “di serie” se affiancate da questo simbolo: 
- fornibili con molla per il ritorno “a richiesta” se affiancate da questo simbolo:  Ø 50. Con il simbolo si indica anche la sostituzione di Rosetta e Bocchetta con componenti di diametro superiore.

La richiesta deve essere espressa in fase di ordine.

I modelli non contrassegnati da uno dei simboli precedentemente indicati, NON possono essere forniti con molla di ritorno.

Indicazione quota h

Con la lettera “h” si indica la sporgenza del prodotto una volta applicato.

Maniglie con Nottolino libero/occupato

Nella sezione maniglie “/5” indica la versione di maniglia per porta corredata di Nottolino libero/occupato su rosetta in sostituzione della bocchetta

Maniglie per finestra

Martelline comprensive di  7x95

Per le tipologie di movimento, i prezzi e le confezioni vedere pag. 35

Le misure sono espresse in millimetri.

I prodotti affiancati da questo simbolo  sono stati oggetto di modifiche e/o adeguamenti stilistici

Keyhole typology

- Feasible keyhole
- Feasible keyhole replacing the escutcheon and rosette with components with larger diameter
- (X) Feasible keyhole and available backsets

Door-handles

Door handles are:

- equipped with a return spring as standard if this symbol  is shown
- equipped with a return spring as an option if this symbol  Ø 50 is shown. By the symbol, we indicate the replacement of the Rose and the Escutcheon with components with larger diameter.

The request should be expressed when you place your order.

If neither of the symbols indicated above is shown, that model CAN-NOT be equipped with a return spring.

Dimension indicated by “h”

By the “h” letter we refer to the overhang of the product when it is applied.

Handles with free/locked knob

In the handles section, “/5” indicates the version of the door-handle that is supplied with the freelocked knob on rose instead of the escutcheon.

Window-handles

The window-handles are inclusive of  7x95

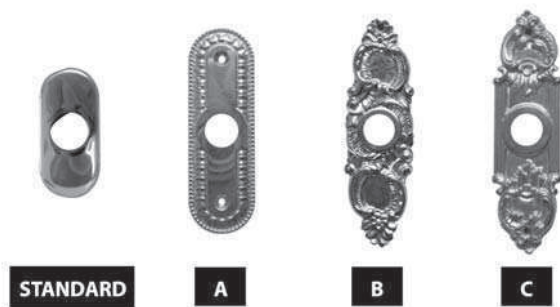

For the typologies of mechanism, the prices and the box quantities, see page 35

Dimensions are quoted in millimeter.

Products shown with this symbol  have been modified or re-styled.

Note Tecniche

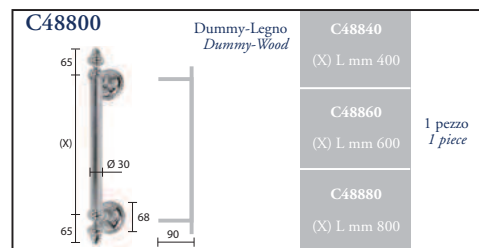

Technical Notes

DK (Dreh-Kipp)
Maniglie DK comprensive di movimento 4 scatti, specificare la lunghezza del $\square$ 7x42 o $\square$ 7x30 all'ordine.
Per le tipologie di movimento, i prezzi e le confezioni vedere pag. 35
Tutte le impugnature per porta vengono realizzate anche nella tipologia DK (eccezion fatta per i modelli C01610 e C05110) abbinare alle differenti versioni di placca:

DK (Dreh-Kipp)
The DK handles are inclusive of the 4-stop mechanism, please specify the length of the $\square$ 7x42 or of the $\square$ 7x30 when you place your order.
For the typologies of mechanism, the prices and the box quantities, see page 35.
All the door-handles are realized also with the DK typology (except for the items C01610 and C05110) combined with the different versions of plate:

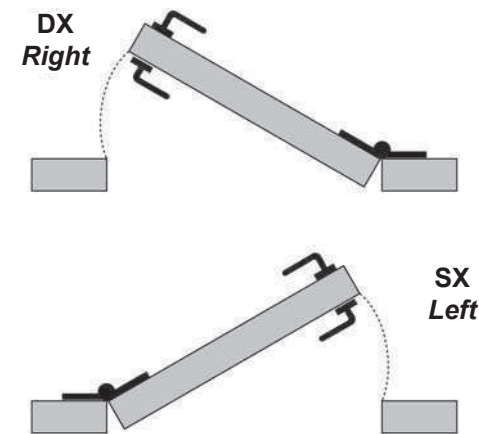

Maniglioni
La lunghezza totale dei Maniglioni C48600, C48800, C49000, C491000, C49200 si determina sommando l'interasse (x) alle lunghezze delle estremità indicate nei disegni.
Eventuali lunghezze speciali si producono su richiesta e per quantitativi minimi. È possibile il montaggio accoppiato solo per i seguenti modelli: C48600; C48800; C49000; C49100; C49200.

Pull-handles
The total length of the C48600, C48800, C49000, C491000 and C49200 is obtained by adding the centre-to-centre (x) to the lengths of the ends indicated in the drawings.
Further special lengths are produced on request and for minimum quantities. The back-to-back assembly is possible only for the following models: C48600; C48800; C49000; C49100; C49200.

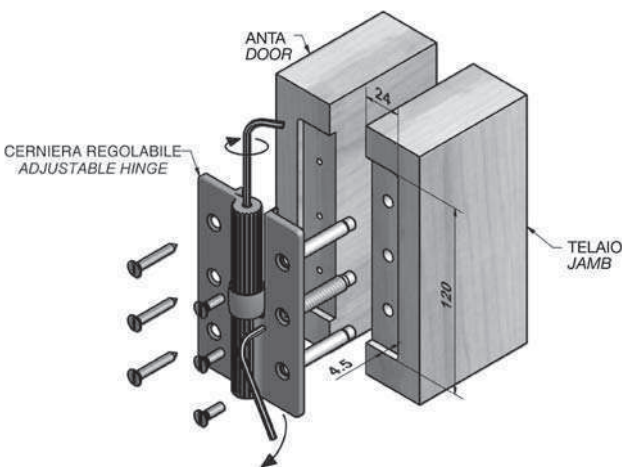

Cerniere
Le cerniere, dotate di regolazioni, vengono vendute senza i finali, disponibili in 7 varianti da acquistare separatamente.

Hinges
The hinges, that are provided with adjustments, are sold without the end-knobs. These ones are available in 7 different versions that should be purchased separately.

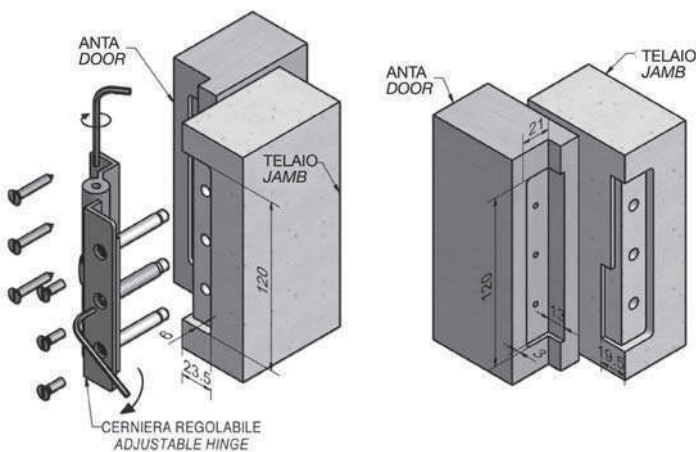

Regolazione stipite

Coprinterruttori
I coprinterruttori Cassina sono realizzati per i seguenti supporti:
Magic tasto stretto (classico); Magic tasto largo; Matix; Light; Light tech;

In fase d'ordine è necessario specificare il modello del supporto.

Jamb adjustment

Switch cover plates
Cassina switch cover plates are realized for the following rests:
Magic narrow button (classic); Magic large button; Matix; Light; Light tech.

When you place an order, please specify the model of the rest.

Condizioni generali di vendita *Standard terms of sale*

OMP PORRO si riserva il diritto di modificare senza preavviso le caratteristiche tecniche, estetiche e funzionali dei prodotti Enrico Cassina presenti in questo listino. Le misure degli articoli indicate nel listino possono subire lievi modifiche di perfezionamento, mentre i prezzi esposti sono riferiti ad un singolo pezzo o alla singola coppia.

Maggiorazione del 20% per quantità inferiori alla confezione indicata.

Premessa - Salvo espressa deroga risultante da apposito atto scritto, ogni compravendita dei prodotti ENRICO CASSINA di OMP PORRO SPA è regolata dalle seguenti condizioni generali di vendita che costituiscono parte essenziale del contratto e che si intendono pertanto accettate dal Compratore ancorchè dallo stesso non sottoscritte. Qualsiasi clausola unilaterale apposta dal Compratore nei documenti da lui sottoscritti e/o nella sua corrispondenza, che sia contraria o comunque in aggiunta alle seguenti condizioni generali od a quelle speciali espressamente approvate per iscritto dal Venditore, si intende come non scritta ed è priva di ogni effetto.

Perfezionamento del contratto e prezzi - La compravendita si intende perfezionata con la conferma scritta del Venditore o con inizio delle consegne. I prezzi concordati non comprendono prestazioni ed oneri accessori (quali IVA, spese di trasporto e così via). Per forniture continuative o consegne ripartite, il Venditore si riserva la facoltà di adeguare i prezzi concordati - con preavviso di trenta giorni - agli aumenti di costo delle materie prime, della mano d'opera e degli oneri fiscali che dovessero verificarsi nel corso della fornitura.

Patto di riservato dominio e risoluzione del contratto - Il Compratore acquista la proprietà della merce fornitagli solo con l'intero pagamento del prezzo - IVA compresa - e degli eventuali oneri e spese accessorie. Il rischio di perimento o deterioramento della merce tuttavia è a suo carico ed egli sarà tenuto a corrispondere l'intero prezzo. L'incompleto pagamento darà diritto al Venditore di richiedere la risoluzione del contratto e la restituzione della merce e quanto già pagato resterà acquisito al Venditore a titolo di indennità, salvo il diritto di richiedere il risarcimento per i maggiori danni.

Garanzia e denuncia di vizi - Eventuali vizi o non conformità della merce devono essere segnalati dal Compratore al Venditore - sempre a pena di decadenza - entro otto giorni dal relativo ricevimento. La garanzia non opera ove i difetti rilevati siano imputabili a negligenza del Compratore, ovvero a circostanze che comunque non possono ricollegarsi a difetti di produzione.

Obblighi del Compratore - Il Compratore deve effettuare i pagamenti puntualmente, con le modalità e nei termini precisati in fattura. Sui ritardati pagamenti decorreranno gli interessi nella misura stabilita dalla Legge.

In caso di ritardo nei pagamenti il Venditore ha diritto di sospendere immediatamente ogni fornitura, anche se dipendente da altri contratti con lo stesso Compratore. Il mancato pagamento nei termini pattuiti comporta in ogni caso la decadenza del Compratore del beneficio del termine.

Legge applicabile e Foro competente - Il contratto è regolato dalla legge italiana. Per qualsiasi controversia inerente o conseguente alla compravendita è competente in via esclusiva l'Autorità Giudiziaria di Como.

I prezzi sono espressi in € (euro)

OMP PORRO reserves the right to modify without notice the technical, aesthetic and practical features of the Enrico Cassina's products contained in this Price-List.

The sizes quoted in the price list are subject to slight change.

Prices are per single item or pair.

For less quantity of one box extra price of 20%.

Premises - Unless otherwise agreed in writing, all ENRICO CASSINA sales of OMP PORRO SPA products are regulated by the following standard terms of sale. These terms are integral part of the contract and are meant to be accepted by the Purchaser even if they haven't been signed by him. Any clause unilaterally specified by the Purchaser in the documents he has signed and/or in his correspondence, which may be against or in addition to the following standard terms or the special terms expressly approved in writing by the Seller, shall be deemed non-existent and void.

Execution of the contract and prices - The sale will be considered as accomplished when the Seller confirms in writing or when deliveries are started. Agreed prices are not inclusive of any accessory charges or services rendered (such as VAT, transport, etc.). In case of continuous supplies or partial shipments, the Seller reserves the right to adjust the agreed prices to the increases in cost of raw materials, labour and fiscal charges that might occur during the supply. A 30 days' notice shall be given.

Retention of title and cancellation of the contract - The Purchaser acquires the ownership of merchandise only after the entire payment of the price - V.A.T. and any taxes and accessory expenses included. The risk of loss or damage to the merchandise is nevertheless at the expense of the Purchaser who will be obliged to pay the entire sum. The incomplete payment gives the Seller the right to demand the cancellation of the contract and the restitution of the merchandise. The downpayment remains as indemnity for the Seller who also has the right to claim for further damages.

Guarantee and notice of defects - The Seller shall be notified by the Purchaser of any faults, latent defects or lack of compliance of the products within 8 days from the receipt of goods, otherwise the claim will be void. The guarantee will not be effective if the faults found are ascribable to the Purchaser's carelessness or any other circumstances that cannot be ascribed to manufacturing defects due to the Seller.

Purchaser's obligations - The Purchaser shall carry out payments on time according to the terms and conditions stated on the invoice. Late payments will be charged of interests at the rate provided by law. In case of late payments, the Seller will be entitled to stop immediately any delivery even if related to other contracts with the same Purchaser. Failure of payments within the agreed time will in any case imply for the Purchaser the loss of the credit facilities that have been granted.

Applicable law and jurisdiction - This contract is governed by the Italian Law. Any controversy in connection with or arising out of a sale hereunder shall be referred to the Court of Como, Italy.
