

ENRICO CASSINA

MANUFACTURED BY OFFICINE MECCANICHE PORRO

CONTEMPORARY COLLECTION

“The Porro Family has actualized, in the space of three generations, her passion for the furnishing accessories, combining Master Engravers’ drawings with the engineering precision of the final object. In the last few years the need to interpret also the accessories as furnishing objects, able to valorise the architectural and interior design project, has been growing. To this aim, the Porro Family has destined the prestige of the Enrico Cassina brand, which proposes his philosophy of stylistic pureness with the wider offer of metal objects and Tailor Made solutions with the guarantee of a 100% Made in Italy production.”
